## LESSON SERIES! JUST FOR KIDS!

**Friendly Family Atmosphere  
Where Kids Are King**

**And the lessons are lots of fun!**

## Welcome to Mt. Brighton's Mogul Mouse Program for Children

Our Children's Ski & Snowboard program is well known for its highly effective method of teaching children 5-12 years old the fundamentals of the sport in an enjoyable and friendly environment. Most children experience a marked increase in ski ability during the three-week program. Each year Mt. Brighton offers three consecutive children's sessions.

### What should my child wear to Mogul Mouse sessions?

**SOCKS:** Believe it or not, socks affect the contact of the leg and boot. Boot contact is crucial for proper skiing! Please have your child wear long socks that stay up and don't wrinkle.

**GLOVES:** Gloves or mittens should be sturdy enough for the tow rope, such as leather or suede. Glove protectors and other accessories are available in our Chairlift Ski Shop.

**UNDERGARMENTS:** Sweats make a nice layer under the snowpants. The under layer is never tucked into the ski boot!

**OUTERGARMENTS:** Coat, Snowpants, Neck Gaiter, Hat, Goggles (when weather necessitates), NO scarves or unrestrained long hair.

**HELMETS:** Helmet use continues to increase and is strongly suggested, especially for the boarders.

### What about cocoa breaks?

Instructor and students take a water and hot cocoa break after the first hour of skiing. You are welcome to join them in the Mogul Mouse room at that time. Some of the instructors and children are renegade... it is difficult to know when they will come in off the slopes!!!

## MOGUL MOUSE / BUMP BUSTER

If you are **checking in AND** getting rentals, please start at **RENTALS**. If you are just **checking in**, please start at **NO RENTALS**.

### RENTALS

- #1 On arrival, go down the center stairs to the gate. Turn left into the building for rentals (just before the gated area).
- #2 Let them know you are in the Mogul Mouse/Bump Buster program and give them your name. They should have your equipment ready for you. Please make sure everything fits and is okay.
- #3 When back outside, turn right and walk over the snow to the bunny hill area. (There will be red and blue flags up, closing off the area for our program.) Stop just before that, in front of the cement patio area next to Ski School.
- #4 Go through the double doors (next to the ski instructor door) and check your child in. We will give you the lift ticket, bib and class designation. **YOU MUST CHECK IN EVERY WEEK BEFORE CLASS FOR THIS.**
